Homework Policy

Learning at home is an important part of a good education. It allows children to practise and retrieve key knowledge, explain their learning, and develop confidence and independence. We encourage families to set aside regular time to engage with learning at home, helping children build positive habits that support long-term progress.

At Bow Community Primary School, homework is focused and purposeful. The expectation is a half-termly project linked to the class topic (to be handed in before the end of the half term) and daily reading, rehearsal of times table facts and new sounds and tricky words.

At **Bow Community Primary School**, the focus on homework is:
