

## Year 1 Phonics Half Termly Update

**Dear Parents,**

Here is a brief overview and some phonics resources that you may like to use at home to support your child with their phonics learning. There is a summary of the phonemes and corresponding graphemes that we have covered in class, along with a list of common exception words that they have learnt to read and write. You can cut these words up to make flashcards or your child might like to make their own flashcards to use to practise their phonics skills.

Graphemes and phonemes learnt this half term.

Also, attached are some resources from earlier in the Twinkl scheme that you may like to use with your child to revise and retrieve their knowledge.

As always please do not hesitate to contact your child's class teacher if you have any questions.
